Dear Valued Customer

Subject: Cost share money from a trust fund is available NOW to pay for HALF of your prairie seed, so now is a perfect time to get your fall seeding done money wise and seed wise.

Seed mixes @ \$.05/ft<sup>2</sup>, minimum order \$100. Flow agents added for ease of spreading.

Prairie Tall Grass Seed Mix @ \$99/acre

Prairie Wildlife Seed Mix @ \$99/acre

Prairie Erosion Control Seed Mix @ \$149/acre

\*Prairie CRP Seed Mixes @\$90 & Up

Prairie Short Grass Seed Mix @ \$99/acre

Prairie Pollinator Seed Mix @ \$199/acre

Prairie Monarch Seed Mix @ \$299/acre

Switchgrass @ \$13/pls lb

Fall/winter is easy time to start a prairie, just broadcast onto bare dirt or dead grass. Run over it with a tractor, ATV, culti-packer or roller to pack it to the ground. Clip the weeds next year to keep the weeds from smothering out the new seeding.

\*Prairie CRP seed mixes prices vary as each state has different standards to follow to design CRP seed mixes. CRP seed mixes are our main selling product being probably 90% of our revenue.

Order NOW via email followed by credit card number on the email or phoned in to get free shipping. We do have 5 busy phone lines and a fax line to answer any questions you may have.

SEED this fall or winter and before you know it, you will have a beautiful prairie preserving your soil, water and full of wildlife to enjoy.

Sincerely,
